Ak ide o partnera s finančnou účasťou, t.j. partnera, ktorý buď čerpá projektový grant alebo sa podieľa na spolufinancovaní projektu, musí partnerská dohoda spĺňať náležitosti stanovené správcom programu vo vzore partnerskej dohody, zverejnenej na stránke www.eeaqrants.sk a www.norwayqrants.sk.”

Prosím, venujte pozornosť skutočnosti, že:

- 1) Je nevyhnutné žiadať o tieto finančné prostriedky pred zrealizovaním výdavkov.
- 2) Tieto granty budú vyplácané len formou refundácie.
- 3) Refundácia bude uhradená len v prípade, že v rámci výzvy bude zo strany žiadateľa predložená žiadosť o projekt.

Liechtensteinische Landesmuseum (Rural Lifestyle Museum)	Arts in general	House number 12 in Schellenberg is one of the oldest residences in Liechtenstein. It documents the late medieval economy and settlement styles. The house was built in 1518 as an interlocking timber construction. Since it belonged to the mobile property of each tenant, it was taken down and rebuilt in a different location several times. Today, it conveys an impressive picture of the modest lifestyle of past generations in Liechtenstein.	Liechtenstein	http://www.landmuseum.li/
